

BLOOM'S WATCH

Scan me

How to create it:

- Download and print the materials
- Cut out all the watch components; for a more precise result, cut beyond the dotted lines
- Glue all the components together using double-sided foam tape to create a magical 3D effect
- Watch the video on the official Winx Club YouTube channel and follow the instructions

FLORA'S WATCH

How to create it:

- Download and print the materials
- Cut out all the watch components; for a more precise result, cut beyond the dotted lines
- Glue all the components together using double-sided foam tape to create a magical 3D effect
- Watch the video on the official Winx Club YouTube channel and follow the instructions
